

Differentiated Instruction Assignment Artifact Submission Form

(based on M-STAR artifact form)

Intern: _____ School: _____

School District: _____ Grade/Subject: _____

Date: _____ Week: _____

K-12 Student's initials: _____
Check: Remediation: _____ Enrichment: _____
Week 1: _____ Week 2: _____

Note: Must submit three different differentiation methods for remediation and three different differentiation methods for enrichment each week – 6 completed artifact sheets each week – total of 12.

ONLY RESPOND TO THE FOLLOWING QUESTION ONCE:

Why did you choose the two students you chose? How/Why will they benefit from differentiated instruction?

RESPOND TO EACH ITEM BELOW FOR EACH METHOD OF DIFFERENTIATED INSTRUCTION IMPLEMENTED FOR EACH STUDENT THROUGHOUT THE TWO WEEK PERIOD OF TIME:

1. Objective(s):

2. Give a description of the differentiated instruction method used. Include whether method was teacher created or a research/evidence-based strategy. Include resources/cites.

3. Reflect on differentiated instruction method. Was this method effective? If so, how do you know? If the method was not effective, why do you think is was not, and what will you do next? How would you change implementation of methods in future lessons?
