

## Verification of 21 Hours of Academic Content Courses for Subject Area Candidate in Elementary Education

**Instructions:** *This form should only be completed if the candidate is using one pedagogy course to meet the 21-hour academic content requirement. List each concentration area, course prefix and title of courses, and the grade received for each course. Include the 3 hours of pedagogy used for each concentration area where indicated. The candidate should submit the form to the Office of Clinical/Field-Based Instruction and Licensure after graduating and when applying for an educator's license.*
